AS AN OLDER PERSON I AM CONCERNED AS TO THE FUTURE OF MY GREAT GRAND CHILDREN.

THE PEOPLE IN FARGO IN CHARGE OF THIS WATER SITUATION SHOULD HAVE GIVEN SOME THOUGHT ABOUT THIS WHEN THEY LET ALL OF THESE BUSINESS COME IN.

IF WE GIVE THEM OUR WATER THEY WILL LET MORE BUSINESS COME IN BECAUSE THEY WANT MORE TAXE MONEY AND THEN THEY WILL HAVE TO DRILL MORE WELLS AND PUMP MORE WATER.

THERE WILL BE NO END TO THIS AND OUR LOCAL FARMERS WILL RUN OUT OF WATER FOR THIER CROPS.

I AM 100% AGAINST EVER LETTING THIS GET STARTED. THANK YOU
