Name Steve Thoreson

Organization and Address Trail County Water Recourse
District

Phone (701) 786 2399 FAX _____ E-mail _____

Comments:

I think it is commendable that leadership in RRV and Federal agencies has recognized a potential problem in water supply and has taken a proactive stance in addressing this.

Also - while I realized that the following might be unachievable, it might be worth considering the annexation of affected parts of Canada that should serve to mitigate some of their concerns.

**Attach additional sheets if necessary*

Please mail your comments to the address on the back of this form, or FAX your comments to 701-250-4326, or e-mail your comments to ssnortland@gp.usbr.gov. Thank you.

The names and comments of those making written or oral statements on this process will become part of a public record. You may request that your name and/or address be withheld from public release. Those requests will be honored to the extent permissible by law.
