GENTLEMEN:

NOTE IN LOCAL PAPER THAT YOU PLAN TO TAKE WATER FROM LAKE OF THE WOODS AND "PIPE" IT TO NORTH DAK. A RED RIVER AREA.

Wonder why — when there is excess water in Devils Lake. They have been trying to move the extra water in Devils Lake.

Also near Cathey No. Dak is the Great Ditch from Garrison Dam. Why not finally put it to use & ship water thru it?

Why spend more — or is that the plan — spend spend.
