RED RIVER VALLEY WATER SUPPLY PROJECT
Bureau of Reclamation
P.O. Box 1017
Bismarck, ND 58502-1017

Comments on the SDEIS

I want to submit my whole hearted support for the project to bring water from the Missouri River to the Red River Valley. I believe it is well crafted and workable. The shared responsibility of the Red River Valley, the State Legislature, and the Federal Government seems to be the right balance. As we heard the testimony in the Senate Natural Resources Committee, the reservations of the whole Committee were satisfied. The water transferred to the Red River when a severe drought occurred seems to be sustainable for both rivers. I am happy to have the opportunity to share my thoughts.

Senator Jim Pomeroy – District 27
1848 52nd Street South
Fargo, N.D. 58103
